## CONSERVATION EASEMENT HOLDER CERTIFICATE - FULL CERTIFICATION

The card provided below is your official certification to acquire and hold conservation easements for which a tax credit may be claimed in Colorado.

In accordance with section 12-15-104, C.R.S., the Division of Conservation, in consultation with the Conservation Easement Oversight Commission, has determined the organization meets the minimum qualifications to acquire and hold conservation easements.

Please note that:

- Conservation easement tax credit applications may only be submitted for conservation easements donated to organizations certified at the time of the donation.
- The Division may investigate the activities of certified organizations and may impose discipline for noncompliance.
- Certified organizations are subject to periodic compliance reviews.
